## *Partnering For Growth*

Aegis Government Funding provides working capital financing to businesses serving municipal, state and federal government agencies. Aegis finances accounts receivable due from government entities starting at \$250,000 and up to \$5,000,000.

Backed by years of experience in receivables financing, the Aegis Team is positioned to structure a working capital solution that offers a practical option when traditional financing is not the answer. Count on Aegis to provide expertise and sound financial guidance to help grow your business.
