Aegis Business Credit Announces \$10,000,000 in New Commitments

Aegis is pleased to announce the addition of several new clients to its portfolio. These new facilities include a revolving line of credit to a growing design & manufacturing company, a factoring facility to a staffing business involved in Hurricane Florence clean-up efforts, and a credit line to a company focused on energy efficient LED lighting installations across the Northeast. Aegis provides working capital and venture debt solutions from \$250,000 to \$5,000,000 to growing companies across the U.S. If you know of companies that could benefit from Aegis financing, please contact us below.
