Aegis Announces \$5,000,000 in New Commitments

Aegis is pleased to announce the addition of several new clients to its portfolio. These companies include a leading wholesaler of fashion products to large retailers across the country, a full service marketing and graphic design company and an innovative manufacturer of orthopedic braces made in the USA. Aegis extended custom tailored credit facilities for each of these companies that provided liquidity and working capital for expansion.

Aegis works with growing companies throughout the U.S. with annual revenue from \$1MM - \$100MM to provide working capital and venture debt solutions ranging from \$250K - \$5MM. If you know of companies that could benefit from Aegis' financing, please contact us below.

About Aegis:

Backed by a depth of experience working with middle market companies, the Aegis Team structures working capital facilities that offer practical solutions for a variety of capital needs including growth, turnarounds, acquisitions and management buyouts. Count on Aegis to provide expertise, sound financial guidance and flexible credit options that will help your business grow.
